

TODAY'S MEETING:

On The Wing
Jane Kelly

Today's Presentation

Have you ever had the opportunity to meet an owl up close? Here's an opportunity Master Falconer, Jane Kelly from On The Wing in Omro, WI.

You may know Jane from her appearances on Northwood Law while assisting NHF&G with admitting and rehabilitating raptors. (She was also our favorite speaker at one of our 2022 Rotary meetings.)

Jane will share what rehabilitation of wild raptors entails. We'll learn about the importance of our raptors in the health of our ecosystems and in our own health, be introduced to multiple species of raptors, and also learn the simple ways that they can help our local raptors right now – like not using rodenticide!

There will also be time for Q&A and photos following the program.
