

TODAY'S MEETING

SEPO Zambia Update

Dr. Eric Smiltneek & Muche Subulwa
*Oshkosh Convention Center
South Breakout Room*

Sustainability, Education, & Progress as One

SEPO Zambia is a non-profit organization dedicated to sustainability, education, and progress in western Zambia and northeastern Wisconsin. In conjunction with our local partners, SEPO Zambia utilizes anti-colonial and anti-racist principles and strategies to identify community needs and strengths, develop global partnerships, and build more sustainable futures.

Join us as Dr. Eric Smiltneek and Muche Subulwa tell us about their June trip to Zambia and update as on the exciting school and clinic projects. (See side bar for a sneak peek.)

Congratulations!!

Past president Karlene Leatherman was presented the Rotary Citation Award by past district governor Don Griffing at last week's meeting. Only 17 percent of clubs around the world received this award for 2023-24. We're so proud of this recognition and grateful for Karlene's leadership.

Southwest Rotary Around the World

Join us today for an update on Dr. Eric's recent trip to Zambia and the exciting projects happening there thanks in part to the support of Southwest Rotary.

By Dr. Eric Smiltneek

SEPO means hope in Lozi language. For the past 15 years, SEPO has worked with the people of western Zambia to provide funding and assistance for projects to improve their community.

SEPO was founded by Mushe and Ang Subulwa as a way to stay connected and support the community that supported Mushe during his childhood. Rotary has been working with SEPO since 2018 with two projects—the Kalungu school and the Mabumbu health center.

During our 2024 trip through the generous funds provided by Oshkosh Southwest Rotary and others, we were able to provide mattresses and supplies to the Mabumbu clinic and birth center, and complete a new classroom block and furnish it with desks and tables. My family was involved with fundraising and gathering supplies and then were fortunate enough to visit the school and clinic in June with Ang and Mushe.
