Dean Frank Braun

As UW Oshkosh moves into the future, the School of Informatics is uniquely positioned to meet the needs of our future workforce as well as regional business and industry.

Introducing the new School of Informatics at the University of Wisconsin Oshkosh. **Informatics** is the art, science, technology and business of transforming information into useful knowledge to improve lives and advance society.

The School of Informatics engages the world through an interdisciplinary and multidimensional lens to make information more accessible, accurate, impactful and secure.

Dean Frank Braun will highlight how UW O is utilizing Informatics to support the business community.

Our Fundraising Committee is putting on a Party for Polio in honor of World Polio Day. All funds raised this year will be matched 2:1 by the Gates Foundation.

Contest Time: Design an Emblem

Rotary District 6270 is holding a contest to design a brand-new emblem for its 2024 Agent of Peace Award. The contest runs from September 19 to October 18, 2024 and is open to all creative individuals in Southeast Wisconsin, whether professional designers or hobbyists. The logo should visually represent the theme of peace and reflect Rotary's core values of leadership, service and global understanding. Submissions should incorporate Rotary branding elements in line with Rotary International's visual identity guidelines. Winner will receive recognition across Rotary District 6270's platforms. Additionally, the winning logo will be featured on all official materials related to the 2024 Rotary District 2024 Agent of Peace Award. Contact Erik Gialdella for details.
